## BEREC within the 2009 reform: a landmark trait of the overall EC's design

### **The 2009 review: focus on further regulatory consistency to the ends of the internal market goal**

- Introduction of an EC's oversight on proposed NRAs' remedies;
- Stronger role of "soft law" provisions (art.19 FD);
- Strengthened independence of NRAs (art.3 FD), key actors in their dialogue with EC and within BEREC ->
- **setup of BEREC**, to advise EC in exercising new regulatory powers (Regulation 1211/2009/EU) – key role in the EU regulatory process (art. 7/7a)

Innovative cooperation model EU-national level striking a balance between regulatory coordination and NRAs' prerogatives and expertise:

Final NRAs' say on remedies

Role of BEREC as a driver of regulatory coherence
